Dates: May 13-14, 2017

Coleman Ranch, Didsbury, Alberta

www.albertapercherons.com

We are excited to offer you the AB Percheron Club Youth Clinic again in 2017.

Our instructors are:

World Renowned

Brian & Colleen Coleman

The Coleman's have trained and shown draft horses for more than 20 years, producing champions in both halter and hitch classes with a focus on six horse hitches. They have a wealth of knowledge and we are fortunate to have them share it with us!

This clinic will be held outdoors for the most part, as such please dress accordingly. Be prepared for mud, rain, sun, snow or anything that the Alberta weather would like to bring our way. There is a heated barn to get out of the elements and where all discussions and harnessing will take place. The driving will be outdoors regardless of weather.

You are welcome to bring your camper for Friday or Saturday night and park it at the Coleman's. Please note there are no campsite hook-ups.

If you have any questions or there is something in particular that you would like to see at this clinic please feel free to contact the undersigned.
